

## HEART FOR THE LOST

*Lord Jesus, we stand in awe that You have called us to participate in Your plan to redeem the world. The fragrance of the gospel of Jesus is the sweetest perfume for those who are being saved. Let us regard those who don't yet know You as those staggering towards death. May we be compelled by compassion to rescue with the truth of salvation through Jesus Christ when we are tempted to flatter or stay silent out of fear. Remind us that You have commissioned us to go to the world with the news of Your great love and promised to be with us always. Give us a passion to reach those who don't yet know You.*
